Notes: ndo = no discount offered
Sale = Sale items already discounted

Please Note: To receive these discounts you must identify yourself as a member in good standing of WCBC. To do this you must show proof of current membership (see below).

New This Year: The Membership confirmation email that you receive from BikeReg.com upon joining or renewing your membership will be your proof of current membership. You should retain a copy of that email if you plan to request discounts at local bike shops, as the Club will not be responsible for supplying that information to the shop owners. One method is to save a screen shot of the email in your Favorite Photos.
