White Clay Bicycle Club –April Meeting Minutes

September 14, 2021

Safety and Education	M Katz	<p>Following the successful presentation to Cub Scout Pack 42 in Kemblesville, Eva Mannino contacted Andrew Coe, a member of the Boy Scout Council giving him my name to see how WCBC could help them. Mr. Coe in turn wrote and suggested that I communicate with Matthew Griffin, another member of the council, who would be better prepared to work with us. I recently sent him an email and have not yet had a reply.</p> <p>I have contacted schools in the Christina and Smyrna School Districts and no one is permitting outsiders to enter schools. Perhaps there might be opportunities to do safety and light maintenance talks and demonstrations in the spring.</p> <p>I have sent two items to Deanna and Barb for web site and social media distribution regarding the cub scout presentation I conducted in July and general news about the ‘Hometown Heroes’ ticker tape parade in New York City, in part, honoring bicycle delivery men and women and their vital roles during the pandemic over the past year.</p>
